P.T. PERSADA MIZU INTERIA

PROFILE

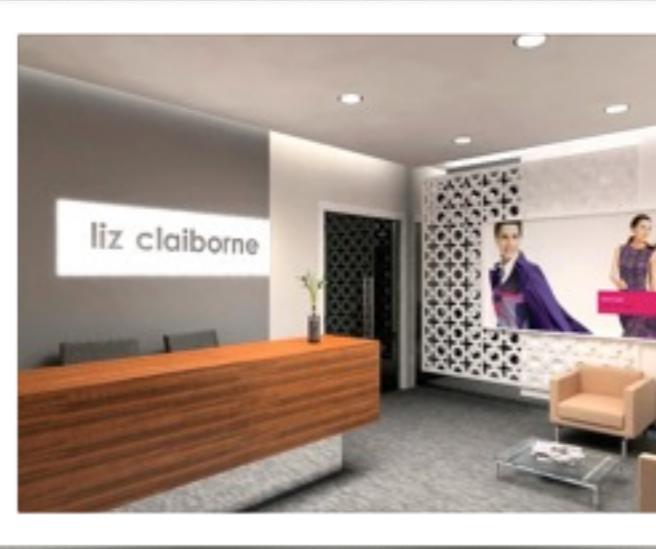

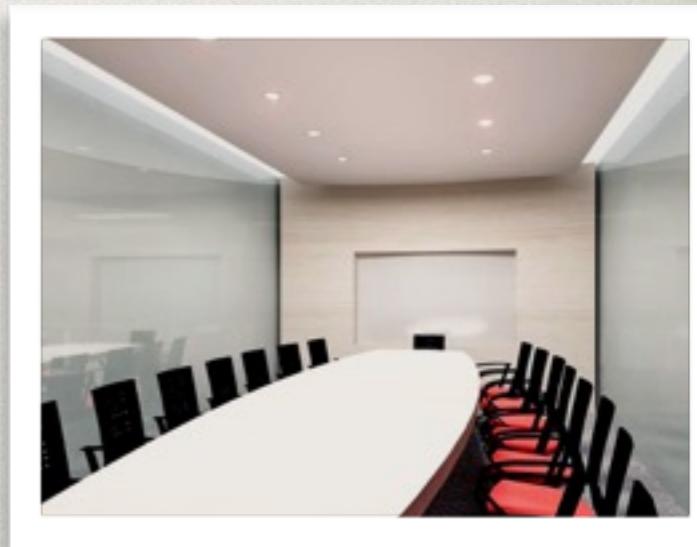

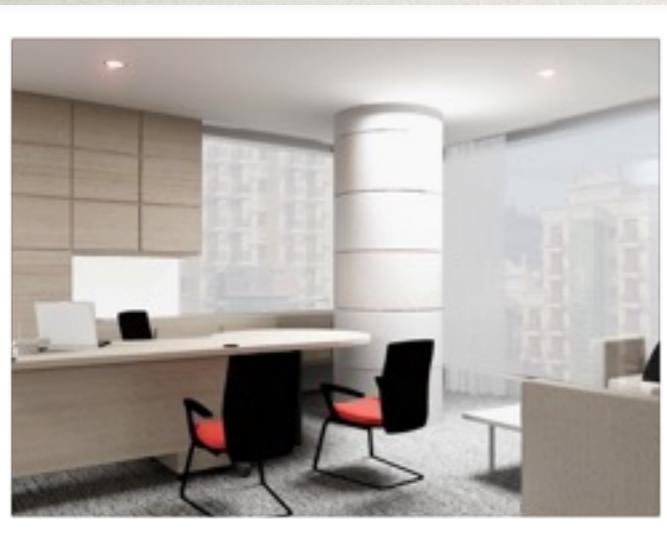

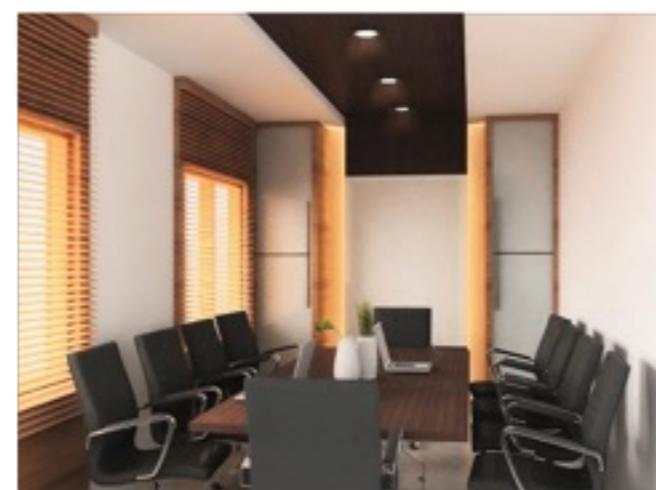

Aikons Interior has been founded in 1999 and being operated under PT PERSADA MIZU INTERIA. Started in a humble workshop east of Jakarta, as a small furniture supplier for residential purposes and offices. In 2002, with the rapid growth of the retail space in Jakarta, we decided to open the new division for retail space interior specialising in loose fixture.

We have been working hand in hand with many of reputable interior consultants, as their sub contractor to provide their clients with the finished goods. In 2013, to accommodate Aikons growth and working efficiency, we relocated our workshop to Central Jakarta which being equipped with the latest woodworking machineries.

With more than a decade experiences, we are focusing on doing what we do best - to deliver the possibilities of making the design become real-. And its our commitment to provide the best service and end result in every projects.
